

How to Fill Out the Digital Order Form

Enter the photo number as found under the proof.
Proofs are organized by class.

Decide if you wish a digital or print version of your photo.
In some cases both options are available.

A digital and print count as 2 items.
Enter 2 in the quantity column.
The price will be displayed once you click anywhere on the form.

The running total column will automatically calculate the price based on the number of images you request in the quantity column.
